## PROGRESSIVE BASEBALL

Something bright and novel will be dished up to the baseball fans Saturday when the five league teams struggle on the Diamond. The champion H. A. C. Reds, Maile Waipa, the Punahou Colts, Kama and the new Oahu teams will all be out to swell the receipts for the San Francisco Relief Fund.

The idea is to play sixteen innings of progressive ball. The Maile will back up against the H. A. C. for four rounds, the Kama will tackle the winners of the first bout for four innings, and the Oahu will mix it with the winners of the second heat for four. Punahou will have the last chance to demonstrate her ability by meeting the final team.

This arrangement makes the afternoon's sport read as follows:  
Maile vs. H. A. C.  
Winners vs. Kama.  
Winners vs. Oahu.  
Winners vs. Punahou.

It will give the interested fan a line on the merits of the various teams and he will be able to size up about what the teams will do in 1906.  
Joy, Reuter, Desha and Hampton will occupy the box for their respective teams. Flanagan, the Maile's crack catcher, will appear for the first time. "Cap" Steere of Punahou will again be in harness. Bill Meyer will be behind a Punahou mask. In fact there will be many new sights to set the baseball gossip going. All this can be had for 5c and the money will go for a just cause. Every one who has an ounce of sporting blood should turn out and demonstrate that even the Sugar Cane League is not behind the times when it comes to raising coin.

The games will start at 2 o'clock and extra car service will be run so that all will be accommodated.

## SKATING RACE TONIGHT

There will be a skating race tonight at the rink. The Diamond Head lads, Bolster and Hart, will go up against two of the best from the Manning and an interesting event is looked for.

The Diamond Head boys are taking everything in sight these days and it would be no surprise to see them win this event.

The rinks people are looking forward to a huge crowd.

## SLIPS FROM THE FANS

Pat Gluck will act as captain of the H. A. C.'s during the first series. It is claimed that Jim Williams, on account of work will not be able to play.

It is a question whether Sheldon will play with the Kama or the Maile.

Bill Meyer is now getting down to weight on a steam roller.

Punahou are out practicing in pretty new uniforms. The suits are pearl grey. Blue and buff stockings and jerseys will be worn.

Manager Chas. Falk claims that his job is not all velvet.

Bill Hampton of the Maile says that he is going to surprise the wise ones this season.

The Punahou following is glad to learn that Steere is back in the game.

Punahou will have two good batteries; Meyer and Desha, McCorriston and Ahrens.

Lieut. Hannah is out of the game for a short period with a sore finger.

Van Vliet, Jr., will not play ball on account of his duties.

## ON THE DIAMOND

Hugh Jennings, the old Baltimore Star, had an odd accident at Washington once. He was playing short and went tearing across back of third after a foul fly. The field seats there are low and protected in front by a triple row of wires. Jennings made a wild running jump after the ball just as it was falling into the bleachers and got it in one hand. He had leaped instinctively to avoid a collision with the low fence, and he went between the wires and remained suspended there, kicking and struggling, but still holding the ball. Beyond a few cuts and scratches he escaped injury.

Bill Dahlen came near ending his baseball career in a strange way. He was at third, with Lange at bat, when Dahlen started to steal home, coming at top speed as the pitcher was winding up to pitch. The game was against New York and Roger Bresnahan, then a youngster, was catching. Dahlen relied on Lange to help him, and Lange did, stepping backwards as if to avoid the pitch just as Dahlen crossed across the plate in safety. The steal cost him dear, for Lange stepped on his leg and a shin bone cut resulted in blood poisoning, which came near costing him a leg.

One of the most difficult curves to master is the drop, which is usually effective.

To successfully deliver this curve it is necessary to make a quick twist of the wrist and forearm, the strain of which tells after too frequent use.

The pitcher is in the box to deliver

the batman. He can do this with the drop ball, provided his delivery is such that it breaks across the plate just above the knees. This is one method.

Only practice will make a pitcher good with this curve, and it is well worth the trouble.

A number of pitchers have a high delivery, the ball breaking just as it gets on a level with the batsman's shoulder. Others throw it waist high, depending mostly on the batsman.

It requires considerable headwork to be successful in pitching, for there is always something to be learned and new hitters are continually climbing into the league's band wagon.

## SPORTING GOSSIP

Jimmy Coffroth announced that he was ready to back Joe Waldstein for \$2500 in a mile race on roller skates against any man in the world. Waldstein, who was giving exhibitions of fancy skating at Mechanic's Pavilion in San Francisco, has issued a challenge to any man in the world, and pretends to get a match with Harley Davidson, who is at present in Los Angeles. Should these two men get together it will be the biggest thing that has ever been seen in the way of a race on roller skates, and it is very likely that the match will be consummated, as Davidson has many admirers and should have little trouble in finding backers to cover Coffroth's coin.

Los Angeles, April 9.—There is much speculation as to whether or not Miss May Sutton, the tennis champion, will defend her title in England in June, when the great international championship tournament will be held. At present it would appear that Miss Sutton will be compelled to allow her title to lapse by default, unless some arrangements are made whereby she can go to England without bearing the entire expense of the trip herself. Southern California has no sporting organization empowered to provide for such contingencies, as is the case in the East, where players are sent abroad at the expense of the Eastern Tennis Association.

New York, April 6.—Yale's wrestlers won the intercollegiate championship in the Columbia University gym tonight by defeating the teams of Columbia, Princeton and Pennsylvania. Yale 7, Columbia 5, Pennsylvania 5, Princeton 4.

Chicago, April 12.—Professor Adolph Gluck, who holds the degree of philosophy from the University of Lemberg, Galicia, today stakes his property in this city, valued at \$25,000, on a wager that for one year he will not utter a single falsehood and eat nothing but raw, uncooked foods; he will fast thirty-six continuous hours every week, and forego pleasures of every description.

Rudolph Jones, a neighbor, takes the other end of the bet, having delivered to the stakeholder deeds for property as good as that of Gluck.

The professor's philosophy is put thus in tabular form: Long-continued penitence will in time lead a man to a condition of "sad satiety," in which he will find it more pleasing to discard the trimmings of his conversation and reduce it to the Scriptural "yea, yea, and nay, nay."

## COUNTRY CLUB SET BACK

On account of the San Francisco calamity the Country Club has received a temporary set-back. Judge Holmes, C. J. Hutchins and Adams, who are all at the head of the movement, have gone to San Francisco.

As soon as they return work will commence.

## NO CLUB MEETING

A meeting of the Kennel Club was to have been held last evening at the offices of Will E. Fisher, but on account of a majority not being present the meeting was postponed.

## RULE FOR CONTESTANTS WHO SEEK THE AUTO

The Bulletin finds it necessary to establish a new rule in connection with the automobile contest, to-wit:  
A change in the delivery of a paper from the person now receiving it to another of the same family cannot be accepted as a new subscriber, nor will an additional paper sent to a person already receiving the paper be accepted as a new subscriber.  
The Bulletin has been very careful that there shall be absolute fair play in dealing with the contestants. It must also see that the contestants are equally straightforward in their relations with the paper. The matter is brought early to the attention of the many people interested in the order that there may be no misunderstanding as to what constitutes a new subscriber.
